

FEBRUARY NEWSLETTER

With the colder weather around us, our class is working on putting on coats. When children can do something for themselves, they are much happier. Not only are they able to go get on with their plans quicker, they feel independent and take pride in their accomplishments. Remember, new skills take time to master; it may take time, especially with the younger ones. Mitten, mitten, who's got the mitten? Little Mittens can get lost very easily. We have found some in the parking lot, in hall ways, and classrooms. Since they are not usually labeled please check the lost and found in the office area along with your child's classroom. If there is a way to label, we advise to do so. We do as much as we can to help children keep track of their extra belongings, reminding and assisting them to put things away. If you find extra mittens or gloves that do not belong to your child, please turn them into the lost & found. Also please make sure that your child has two extra sets of change of warm clothes and an extra pair of shoes at school. Thank you!

Now that February is here we are thinking about red hearts, showing love and kindness toward our classmates. We are celebrating **Valentine's Day** on February 14th (Wednesday). If you plan to bring cards to share with others please be sure that there is one for every child in our class (26 children including your own child). It will be easy to exchange cards if only the "from" section is filled and the "to" is left blank. Handmade cards show how much you care and if there are some who also want to give little gifts, pencil, erasers, bookmarks, healthy snacks are preferred rather than candy. If you would like to bring a special snack for the children that day you can sign up on the bulletin board soon. Thank you!
