

“HUMMINGBIRDS AUGUST NEWSLETTER”

Greetings Hummingbird Parents,

As we begin the new school year, we would like to extend a heartfelt welcome to all of our new and returning families. From meeting new friends to getting reacquainted with our returning friends, our toddlers have been very busy and full of enthusiasm and excitement! The children have been exploring the materials of language such as language cards with matching objects, books, etc. These and other language materials helps to build vocabulary, broaden knowledge and strengthen language development. Our children are also exploring the materials of practical life, such as food preparation, dressing frames, transferring, etc. These and other PL activities are used to strengthen motor development, develop eye/hand coordination and encourage the love of practice through repetition. Our children are enjoying the freedom of movement and choosing their own activities. They are embracing the expectation of returning their work to their respective place, before making another choice. With this practice, the children are developing independence as well as order. Please explore the attached photos of our toddlers as they work in peace and harmony.

We would like to extend a special thank you to Lauren (Bowman's mom) for being such an amazing room parent for the Hummingbirds class! Her diligence and unwavering dedication has been invaluable. Lauren's time as our room parent is quickly coming to an end as her son Bowman will begin his transition into a primary class at the beginning of September; we will miss him so much! Thank you and congratulations to the new room parents for the school year of 2018/2019.

Christine (Brooke's mom)

Wish (Chloe's mom)

Heather (Isaiah's mom) Congratulations on your new baby boy!

Lastly but certainly not least, thank you all for the outpour of love and support that you've shown to my husband and I during this time. We are deeply touched by your generosity and we are so blessed to have such amazing people in our corner.

***Just a few reminders:**

- Please check your child's hook/cubbie daily, for any soiled/wet clothing and refresh your child's bags as needed.
- Please refrain from storing items in your child's bag such as hand sanitizer, money, chapstick, etc.

As always, thank you all for your continued support of Family of the Week and beyond!
Ms. Stephanie, Ms. Pratibha, Ms. Kalpana and the Hummingbirds
